

### Psalm 30

C  
I lift your name, you lifted me,  
F  
Drew me up, and set me free, from all my foes  
C  
Father you have heard cry, I can't deny you've healed me  
F  
And redeemed my soul.

Am  
*I hear the distant song*  
G  
*I know I am not alone,*  
F  
*For His anger lasts a moment,*  
G  
*But favour is life-long.*  
Am  
*Though I'm weeping though the night,*  
G  
*I will rejoice within the light,*  
F G  
*As morning comes with mercy and with grace!*

C Am F  
So I will praise! and I will not be silent,  
C Am F  
I'll sing, and I will not be silent (lift note second time)  
Am F G C  
My God, I will not be silent

I forgot when I was standing strong,  
When I was on that mountain top, and all was good,  
Just how much I needed you,  
My life, my breath, I'll praise you like I should!  
*When it seemed you'd hid your face*  
*I thought that you had turned away,*  
*Dismayed when all was stripped away*  
*But the grave won't sing out praise*  
*Nor dust proclaim your name,*  
*You, restored me in your mercy and your grace.....*

Dm  
You turned my mourning into dancing,  
F C G  
Clothed my your glory, I will sing to Christ my King
